## Trivia Whiz

### The World's Most Famous Mouse

He's one of the most recognizable faces in the world, and he turns 89 years old this month.

Enjoy these fun facts about Mickey Mouse:

Mickey's birthday is Nov. 18, 1928, the date when "Steamboat Willie" premiered.

Originally, creator Walt Disney wanted to name him Mortimer, but his wife, Lillian, convinced him that Mickey was a better choice.

Some of Mickey's movements and mannerisms were said to be inspired by Charlie Chaplin's character the Tramp.

Disney himself voiced Mickey from 1929 to 1946.

During World War II, Mickey's image was used to advertise war bonds.

He was the first cartoon character to receive a star on the Hollywood Walk of Fame.
