Trivia Whiz

The Queen of Fall Flowers

Chrysanthemums provide a splash of color in fall flowerbeds and centerpieces. Celebrate this seasonal favorite with a bouquet of floral facts:

Native to China, the flower was grown as early as 1400 B.C. and used as an herbal remedy.

The first chrysanthemums had small yellow blooms, inspiring their name, which comes from the Greek words meaning "gold flower."

One of the top-selling potted plants in the U.S., the chrysanthemum is often called the "queen of fall flowers."

The flower is a symbol of joy, love, loyalty and longevity.

The mum is the traditional flower for a 13th wedding anniversary, as well as the birth flower for November.

Let's Recognize National Assisted Living Week!

When someone is unable to independently care for himself or herself, an assisted living organization can step in to make that person's life more comfortable and secure. The people who assist individuals needing care are selfless beings who put their heart and soul into their jobs. We salute those kind and considerate workers during National Assisted Living Week (annually from Grandparents Day through the following Saturday).

National Good Neighbor Day

Offer a smile and a friendly hello on National Good Neighbor Day, Sept. 28. Take time this day to say thanks to your neighbors who keep the noise down, pick up trash that isn't even theirs, keep an eye out for their neighbors' well-being, and, well, are just good neighbors. We have wonderful residents here and want to encourage everyone to know and meet the people who live around you.

Fun Fact

On Sept. 9, 1776, the Continental Congress declared the name of the new nation to be the United States of America, replacing the term "United Colonies."

Walk to End Alzheimer's

This year's walk will be held on Thursday, October 3, 2019 at Longwood University Lancaster Hall. Registration begins at 4 pm. Please consider joining the walk or making a donation. www.alz.org/walk

Thanks, Grammy And Grampy!

Annually, the first Sunday after Labor Day, is National Grandparents Day, a time for children and adults to honor the generations who came before them. Activities, memorials and other events take place across the nation.

Watson AL Demolition

In August 2019, The Woodland said good bye to its original home once called Holly Manor and in later years, due to additions and improvements, the name changed to the Watson AL. Holly Manor originally opened in 1970 with a 60 bed long term care unit.
