## A Woodland Thank You

The Residents and staff of The Woodland extend a huge thank you to our local communities, Farmville and surrounding counties for **ALL** the support and love you have shown during these last few months. We are certainly blessed and there are no words on how to express our deepest gratitude, Thank You.

## Covid-19 Hotline

## A Dandy Sight

Blooms of dandelions are an annual sight across many landscapes. The plant's head holds as many as 300 ray flowers that look like tiny petals. These mature into white seeds that can disperse and drift off miles away. Folklore says the dandelion's life cycle symbolizes our solar system: The yellow flower resembles the sun, the white puff ball looks like the moon and the scattered seeds are the stars.

## Here's to Dads

Father's Day on Sunday, June 21, honors dads, granddads and father figures everywhere.
